Hi Erica,

I am still waiting to hear from LMU staff to see if they can get a phone line up for you for tomorrow's meeting. Meanwhile, if the audio works tomorrow but no video, attached for your reference are meeting materials and a copy of my presentation that will be brought up during the meeting. I will mention which document/presentation slide that we are looking at during the meeting if you are listening in.

Dear TAC members,

Please see and review the attached package of documents for the TAC meeting scheduled this Thursday, June 29. This package include:

- Minutes of the March 17, 2017 TAC meeting (Item 3b)

- Summary of member input on State of the Bay report data and index development needs (Item 4)
- Copy of staff presentation on State of the Bay report data gap review, report development timeline, and CMP update workshop planning (Item 4 & 5)
- Copy of TAC membership interest statements by Phyllis Grifman, USC Sea Grant, and Phil Markle, Sanitation Districts of Los Angeles County (background information for discussion under Item 6)

Look forward to seeing you on Thursday. Please feel free to contact me if you have any questions.

Guangyu

**Subject:** RE: Agenda for June 29th TAC meeting

Dear TAC members,

Please see attached for the agenda for the TAC meeting scheduled for Thursday, June 29, at Loyola Marymount University. Again, thank you all for sending in your input on the spreadsheet of critical data and index development needs. A summary of your input will be compiled and be e-mailed to you along with other materials ahead of the meeting next Thursday.

Please let me know if for any reason you will not be able to attend this meeting and feel free to contact me for any questions you may have.
